(1) Please note that just because a contractor is on this list, it does not mean we have their insurance certificate. If they are on this list, it only means that someone in Summerfield has recommended them.	(2) Insurance certificates are required of any contractor doing outside work at Summerfield -- both for maintenance and for new construction.

Windows and Doors	**Harvey Industries**	800-822-0437	Head Quarters	*** If you have issues with your windows**

The windows are under warranty. The window design and warranty information is located at the very top of each window. If you pull the top sash down, you'll see a label attached under the header with all the numbers Harvey needs in order to ID what is needed to fix or replace damaged windows.
